Virginians for Better Transportation

January 17 at 2:27 PM · 🌐

Deficient roads have hidden costs—to safety, to economic advancement, to our wallets. Funding improvements paid for by those who drive the roads the most, is the fairest way to ensure that these roads and bridges can be improved and maintained. Let's make sure Virginia roads don't get left in the last century. Join our newsletter to learn more.

A new report from @TRIP_Inc magnifies how badly infrastructure improvements are needed in the Richmond region. We're already paying a steep price — \$1,500 per motorist each year in added costs.

A recent @TRIP_Inc report detailing the state of Virginia's roads found that those in poor condition ultimately cost VA drivers \$2600/year on average in repair costs. #InfrastructureNOW

Traffic, rough roads cost average No. Va. driver 102 hours, \$2,600 a year... Crowded and unsafe roads and bridges in Northern Virginia are costing drivers nearly \$2,600 a year apiece.
