Oklahoma's roadways have turned the corner in the right direction, but could get off track if more funding isn't placed into improvement projects.

Roads report details ODOT's successes, areas of improvement  
Over the past few years, the Oklahoma Department of Transportation has made significant improvements to the State's highways and bridge...

While the @OKDOT has been able to make significant improvements to state-maintained roads and bridges, additional progress may be stalled due to a lack of reliable funding, per the latest @TRIP\_Inc report.
