A new report on New Mexico roadways says “inadequate state and local funding” has led to poor conditions on more than a third of them. The report says rough roads in the state lead to increasing costs for drivers when it comes to vehicle wear and tear.

santafenewmexican.com

Report: New Mexico motorists paying price for poor roads

Report finds state and federal government face \$5.1 billion in unfunded needs; plus conditions are costing drivers time and money.

With most of Las Cruces' roads in poor or mediocre condition, vehicle operating, repair and traffic costs are piling up for drivers.

lcsun-news.com

Report: Bad roads cost Las Cruces drivers more than \$1,800 per year
 The report found that 32 percent of roads in the Las Cruces urban area are in "poor condition;" another 36 percent are in "mediocre condition."
