A new report released today by @TRIP_Inc shows the clear need for increased investment in the aging @NYSThruway, w/ more than 80% of its pavement on original Gov. Dewey area base! The Thruway needs to be rebuilt & its proposed toll increase is a necessary start to do that.

Mike Elmendorf and rebuildnynow Retweeted your Tweet

Through 2031 the NY Thruway Authority has a \$1.2 billion funding gap in revenue needed to maintain its high levels of safety and service, maintain good infrastructure conditions, support Thruway operations, and maintain debt service coverage @TRIP_Inc tripnet.org/reports/the-ne...

AGC NYS @AGC_NYS · 4h
The @NYSThruway proposed toll increase is needed to invest in rebuilding this critical, yet aging and deteriorating, NYS artery.
