## NEWS & NOTES

### New TRIP report on state's roads generates statewide media attention

Whether you live near Milwaukee, Madison, Green Bay or Wausau, chances are good your local news covered a new report on infrastructure.

TRIP's deep dive into the state of Wisconsin's transportation system and the increased cost drivers face because of failing or unsafe roads generated statewide media coverage over the past nine days.

Whether you live near Milwaukee, Madison, Green Bay or Wausau, chances are you good your local news covered a new report on infrastructure.

TRIP's deep dive into the state of Wisconsin's transportation system and the increased cost drivers face because of failing or unsafe infrastructure generated statewide media coverage.
