

Watch Out for Potholes

Monday, March 23rd 2015 @ 5am by 570 WSYR

A [new report just released](#) shows roads in CNY are more in need of repair than ever. Rocky Moretti with transportation research group [TRIP](#) says the outlook here is discouraging. TRIP says they found 28% of major roads here have pavement in poor condition, with another 17% in mediocre shape.
